Amit Peshawaria

**Chief Revenue Officer
Hotelchamp**

IHM-A provided me with a rock-solid professional foundation through a well-balanced blend of academic rigor and hands-on training. The institute's holistic approach to hospitality prepared me to succeed across global brands. Even today, in an industry shaped by rapid technological change and AI, the core principles and analytical thinking instilled at IHM-A remain highly relevant. I am proud to be an alumnus and deeply grateful for the career pathway this exceptional institution enabled.

Ashwin Shrinivas

**Regional Vice President of
Operations Compass Group, USA**

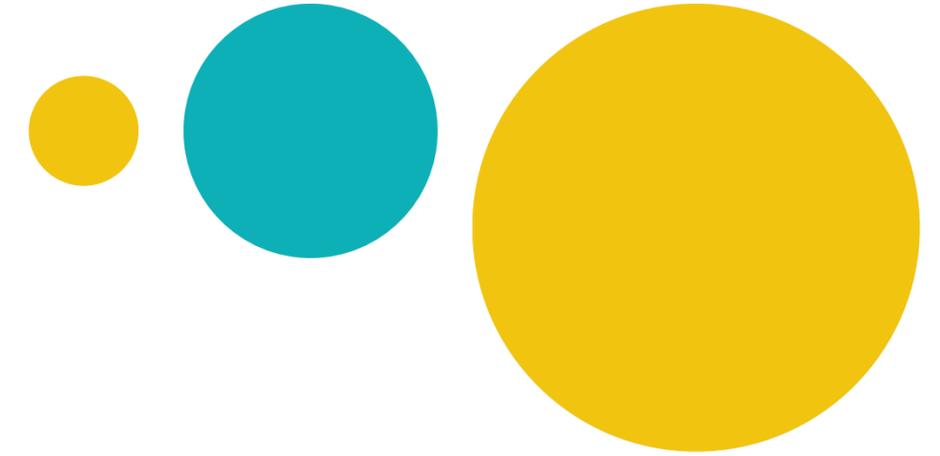

IHM-A was the launch pad for my career in hospitality. As a graduate of its first Culinary Arts program, I gained a well-rounded education that combined culinary excellence with strong business and leadership fundamentals. That foundation empowered me to continue my education at The Culinary Institute of America and build a career with Compass Group USA. IHM-A didn't just teach me how to cook, it taught me how to lead, manage, and grow within the hospitality industry.

Vijaydeep Singh

**Global Head of Alliances & Partnerships
Capgemini Financial Services**

Nearly 24 years on, IHM-Aurangabad continues to influence how I lead and connect with people. It was here that I learned the true essence of hospitality—customer empathy, teamwork, patience, and the power of strong peer relationships. These values have shaped my career and continue to guide me in my current role. I remain deeply grateful to IHM-A for the strong foundation and lifelong sense of belonging it gave me.
